

FAMILY INTEGRATED CARE CONFERENCE

February 9 - 11, 2017
Chelsea Hotel, Toronto

Come join the inaugural FICare International Conference featuring:

Research

- International Initiatives from Canada, Australia, New Zealand, China and the U.K.
- Neurodevelopmental Follow-Up Outcomes
- Theory of FICare: Perspectives of Family and Caregivers
- Advocacy for Families
- FICare in the Community
- Challenges with Implementation & Solutions

Family Journeys & Impact

- Compelling parent stories of FICare babies and how NICU care has changed because of FICare

Training Workshop

- For new and experienced site teams: didactic and interactive sessions to train, inspire and provide support for FICare implementation and sustenance. Opportunities for interaction with peers, trainers and veteran parents.

See FICare in Action

- Attendees are invited to join the tour of one of the FICare NICUs, either at Mount Sinai Hospital or Sunnybrook Health Science Centre.

Registration is now open!

Please contact Charlene Wong at
Charlene.wong@sinaihealthsystem.ca for details.
